I'm here, just like I said  
Though it's breakin' every rule I've ever made.  
My racing heart, is still the same,  
Why make it strong to break it once again.  
And I'd love to say I do, give everything to you,  
But I could never now be true.

So I say, I think I better leave right now, before I fall any  
deeper.  
I think I better leave right now, I'm feeling weaker and  
weaker.  
Somebody better show me how, before I fall any  
deeper,  
I think I better leave right now

I'm here, so please explain  
Why you're opening up a healing wound again  
I'm a little more careful,  
Perhaps it shows,  
But if I lose the highs, at least I'm spared the lows.  
Now I tremble in your arms,  
What could be the harm, to feel my spirit calm

So I say, I think I better leave right now, before I fall any  
deeper.  
I think I better leave right now, I'm feeling weaker and  
weaker.  
Somebody better show me how, before I fall any  
deeper,  
I think I better leave right now

I wouldn't know how to say, how good it feels seeing  
you today,  
I see you've got your smile back, like you say  
"you're right on track, girl"  
You may never know why,  
Once bitten  
Twice as shy  
If I'm proud, perhaps I should explain,  
I couldn't bear to lose you again.

I think I better leave right now,

Before I fall any deeper,  
I think I better leave right now,  
I'm feeling weaker and weaker.  
Somebody better show me how, before I fall any  
deeper,  
I think I better leave right now.

Think I better leave right now
