Well baby its been a long time I'd like to know if you are
still mine
no no daddy ain't no coming back
I'm setting you on the right track
I'll tell you baby ain't no use
cause when you move you lose
(when you move you lose)
tell me who is that fellow you say is moving me out
I really don't dig pretty baby what you're talking about
I don't have you tell you its very plain even if I did
things would still be the same
I'm telling you it ain't no use cause when you move you
lose (when you move you lose)
I'm so sorry baby I didn't mean to hurt you
I didn't mean to do you wrong
There's no need begging no need regretting Another
queen is on your throne
Mercy Baby won't you give me one more chance
I'll prove myself worthy of your love and always be a
man (Yes I will)
Yeah I'm telling you daddy like I told you before I don't
need your love anymore
Go find yourself another fool
when you move you lose (when you move you lose)
I am so sorry baby
I know, it ain't no use
Please give me one more chance
When you move you lose
I bring my money home to you baby
Go find another fool
If you'll give me one more chance
When you move you lose
I need you, I need you
It ain't no use
I know you still want me baby
When you move you lose
Oh Don't walk away from me baby
When you move you lose
I'm on my knees for you baby
Ain't no use
Just give me one more chance
