If Iâ€™m going down in flames
Then youâ€™re going down with me
Stone cold blood runs in my veins
Is it so hard to believe?

Iâ€™ve seen that look so many times
I was wearing my disguise
Tear it up and here I am
Whoâ€™s the brave one in the end

What is the bravery?
Why is it history?
All alone canâ€™t you see
In your final hour youâ€™ll believe

What is the bravery
And what it means to me
Try try but youâ€™ll always be
Your greatest enemy

Running through the corridor
Helpless scratches on the wall
Desperate shapes of desperate words
Come out of your mouth no more

As the silence rips the hole
Darkness covering it all
I will always lead the way
With the bright torch in my hand

What is the bravery?
Why is it history?
All alone canâ€™t you see

What is the bravery
And what it means to me
Try try but youâ€™ll always be

What is the bravery?
Why is it history?
All alone canâ€™t you see

What is the bravery
And what it means to me
Try try but you'll always be
