Don't leave me alone,
I'm waiting for this to be,
The last thing that i say.
Well if I tried real good,
bet I probably could, get a couple more days,
But the drugs are lame.

So I'm looking for you to be,
The very last thing I see,
Before I up and fly away.
I'm counting on you to help push me through,
With something good to remember on my red letter
day.

Don't worry,
I only feel the good things.

So let's dine, dine, dine my darling,
Let's have our last supper, as us, two lovers
And we'll dance real sweet and slow.
And then kiss, kiss, kiss, til the last clock tick
A final exhale when I'm done,
And you can keep my last breath floating in your lungs.

I've tried a lot of things just because of you,
You make me tell the truth,
You taught me to drink like a man.

You rescued my tail from between my legs,
Now if I can think it I am.
And I'm taking these words with me when I go over,
To the other side.
I'll be waiting on you,
But don't show up too soon,
I'll be bored as heaven but I'll be alright.

Let's dine, dine, dine my darling,
Let's have our last supper, as us, two lovers
And we'll dance real sweet and slow.
And then kiss, kiss, kiss, til the last clock tick
A final exhale when I'm done,
And you can keep my last breath floating in your lungs.

Floating in your lungs.

So let's dine, dine, dine my darling,
Let's have our last supper, as us, two lovers
And we'll dance real sweet and slow.
And then kiss, kiss, kiss, til the last clock tick
A final exhale when I'm done,
And you can keep my last breath floating in your lungs.
