Not sure how this is supposed to feel  
Cutting like a red hot knife of surgical steel  
We're all fresh from the autoplay  
She came, she came with sterile warnings  
Screaming from her place  
Singing "I wanna make you bleed"

I watched them fall in line, as I fell victim  
To double suicide on your television  
We heard our records backwards too many times  
I'm wasting my breath, we're wasting our time  
Wasting our time

Down on my knees, but not to pray  
Hit so hard across the skull, it buckled my legs (???)  
They told me I had hell to pay  
I came, I came too close to heaven  
Had nothing to say from myself  
I had to walk away  
I watched them fall in line, as I fell victim  
To double suicide on your television  
We heard our records backwards too many times  
I'm wasting my breath, we're wasting our time  
Wasting our time  
Time  
Wasting our time  
Wasting our time

I watched them fall in line, as I fell victim  
To double suicide on your television  
We heard our records backwards too many times  
I'm wasting my breath, we're wasting our...
