Verse 1:

I wanna be a little piece of history
Let's go!
I wanna be a painting for all to see
Let's go!
Take a trip, take a big hand full of these
And swallow
Just a headache, a fuzzy memory tomorrow

Chorus:

I wanna be a warhol, hanging on your wall
You down there looking up at me
I wanna be a warhol
Displayed on your wall
Hung up there standing back at you
Staring back at you

Verse 2:

Give me a taste of your misery
Let's go!
Won't you please come play chemistry?
And sorrow
I can't believe anything that you're telling me
Let's go!
The walls are closing in and melting
Nice and slow

Chorus:

I wanna be a warhol, hanging on your wall
You down there looking up at me
I wanna be a warhol
Displayed on your wall
Hung up there standing back at you
Staring back at you
Staring back at you
Oh, oh, oh
Oh, oh, oh
Oh, oh, oh
O-o-o-o-oh

I wanna be a warhol, hanging on your wall
Staring down at you

I wanna be a warhol
Displayed on your wall
Still hung-up on you
Still hung-uW on you
Still hung-up on you
