My point of reference makes me afraid to begin  
convincing

But you might as well just change your name  
?Cause I only recognize this shadow  
Kinda blackened superhero with nobody?s best  
interests in mind

Now there?s blood in the water, that heart bleeds from  
this stone here

And we turned into our cheap wine  
And I swallowed every drop, yes, I could feel my  
stomach rot  
And you were so supportive as I drank through the pain

You recognize this shape, it?s the back of your hand  
(Whoa, oh, whoa, oh, whoa, oh, whoa, oh)  
You placed it on my face here again, and again, yeah  
(Whoa, oh, whoa, oh, whoa, oh, whoa, oh)  
And I don?t wanna be the one who takes this place in  
vein

Dove off that east side platform, jack knifed a bone dry  
floor  
One broken ankle save my name  
And this eraser burn, I dig in deep at every turn  
It keeps getting darker and the fear stays the same

You recognize this shape, it?s the back of your hand  
(Whoa, oh, whoa, oh, whoa, oh, whoa, oh)  
You placed it on my face here again, and again, yeah  
(Whoa, oh, whoa, oh, whoa, oh, whoa, oh)

And I don?t wanna be the one who takes this place  
Don?t wanna be the one who takes  
I don?t wanna be the one who takes this place in vein

Whoa, oh, whoa, oh, whoa, oh, whoa, oh, oh  
Whoa, oh, whoa, oh, whoa, oh, whoa, oh, oh

I don?t wanna take, I don?t wanna take this place, no  
I don?t want to take, I don?t wanna take this place, no  
No oh, no oh, I don?t wanna take this place, no

No oh, no oh, I don't wanna take this place, no

You recognize this shape, it's the back of your hand  
(Whoa, oh, whoa, oh, whoa, oh, whoa, oh)  
You placed it on my face here again, and again, yeah  
(Whoa, oh, whoa, oh, whoa, oh, whoa, oh)

And I don't wanna be the one who takes this place  
Don't wanna be the one who takes  
I don't wanna be the one who takes this place in vein
