Taking a ride down to your place,  
I'll be dropping by tonight.  
You'll hear me coming from miles away,  
Screaming banshees haunting my motorbike.

Taking a ride down to your place,  
Dropping by in just a while.  
And I don't care if we fuck,  
or if we talk,  
or if we cry.  
I just miss you,  
I want to kiss you to death tonight.

Kiss you to death tonight.  
Kiss you to death tonight.

Taking a ride down to your place,  
And I haven't seen you in a while.  
I'm just taking out the trash.  
I miss your face, I miss your cat, I miss your smile.  
I want to kiss you to death tonight.

Kiss you to death tonight.  
Kiss you to death tonight.

You're in my heart  
You're in my skull.  
You're in my blood.  
You're in my bones.

You're in my heart.  
You're in my skull.  
You're in my blood.  
You're in my bones.  
Yes

Kiss you to death tonight.  
Kiss you to death tonight.  
Kiss you to death tonight.  
Kiss you to death tonight
