She lied, she lied to the FBI.  
When she told them she was innocent,  
A victimless crime.  
And I don't give a shit,

I'd never drop dime on my baby  
Though she gave it to the FBI.

I lied, I lied to the FBI.  
When I told 'em that I did it to save her hide.  
Told 'em that the plan for the heist was mine.  
Now I'm stuck and I'm fucked, doing federal time.

Locked deep inside I'm doing time for you,  
Just got the letter saying we are through,  
And I don't give a damn if I get out again,  
I'm doing time for you

My mistake,  
I will take this secret with me to the grave.  
And I hope and I pray,  
that I'll see her face again one day.

My mistake,

I will take this secret with me to the grave.  
And I hope and I pray,  
that I'll see her face again one day.

She lied, she lied to the FBI.  
She lied, she lied to the FBI.  
She lied, she lied to the FBI.  
She lied, she lied to the FBI.  
She lied to the FBI.
