"Time To Waste"

There's someone down below
Blowing you a kiss
They watch from their windows

As all arms fall to their sides
And all eyes fix
On the death of tomorrow

And you found everything you need
To make a life complete
Completely revolting

And they have safety and relief
For sale on the street
I see you in line every day

You had time to waste
And I'm not sorry
Such a basket case
Hide the cutlery

I had time to kill
It's dead and buried
You've got guts to spill
But no one trust-worthy

These creatures are waking up
In these dark trees
Waiting like vultures

And eyes roll back
Turn white in time to feed
They salivate in hunger for you

And everything they need
To make a death complete
Completely unnatural

And salvation lies
Behind those dead eyes
That watch you while you sleep every night and

You had time to waste
And I'm not sorry
Such a basket case
Hide the cutlery

I had time to kill
It's dead and buried
You've got guts to spill
But no one trust-worthy

You had time to waste
And I'm not sorry
Such a basket case
Hide the cutlery

I had time to kill
It's dead and buried
You've got guts to spill
But no one trust-worthy
