Love has gone and I can't take it anymore  
Seems you're acting  
Just like you don't love me anymore

But you know all I'll want to see  
Is your loving arms caressing me  
But you know, that can never be

Don't pity me  
Don't pity me  
'Cause I can see you're  
Going 'round with someone new  
Reckon you have been with him  
A time or maybe two

But if you say  
You're going away  
You're going away  
And away you'll stay  
I'll want you back,  
But I won't take you back

Don't pity me  
Don't pity me  
Don't pity me

I want you to think that I'm alright  
Think that I go to sleep at night  
Oh, I know it's a lie  
I know it's goodbye

Love has gone and I can't take it anymore  
Seems you're acting  
Just like you don't love me anymore

But you know all I want to see  
Is your loving arms caressing me  
But you know, that can never be

Don't pity me  
Don't pity me  
Don't pity me

Don't pity me
