(If he's late) If he's late she starts to cry.
(She's got a list) She's got a list of things to buy.
(He can't go in) He can't go in for social mixing.
(There's a plug) There's a plug that still needs fixing.

Louise wouldn't' like it, Louise wouldn't' like it

(Her claws were in) Her claws were in, the word was
out.
(He tried his best) He tried his best to blow her out.
(She smelt the blood) She smelt the blood she had the
scent.
(Tracked him down) In every night club that he'd
frequent.

(He used to be) He used to be fun he used to have
mates.
(Spending money) But spending money don't pay the
rates.
(It doesn't' matter) It doesn't matter love I know how
you feel.
(How do I feel) We can always go out for a meal.
