Woman do you love me?
Woman if you need me then believe me
I need you to be my woman.

Woman do you love me?
Woman if you need me then believe me
I need you to be my woman.

And should you ask me how I'm doing
what shall I say, things are O.K.
Well I know that they're not
and I still may have lost you.

Woman do you love me?
Woman if you need me then believe me
I need you to be my woman.

And should you take your time and tell me
when we're alone, love will come home
I would give up my world
if you'll say that my girl is my woman.

I've got plenty of time,
help me just to get through it.
Once again you'll be mine
I still think we can do it.
And you know how much I love you.

Woman don't forsake me.
Woman if you take me then believe me
I'll take you to be by woman.
