First of all, my heart is beating faster
And my words are messing up my answers
But I feel like tonight's gonna be my night
I loose control, I'm acting kinda funny
And worst of all I'm spending all my money
S.O.S.

I can't take this stress
Paralyzed, paralyzed, I'm shutting down
Paralyzed, paralyzed, stuck to the ground
But it really doesn't matter

'Cause I know I'll get her

Now, now, now

Paralyzed, paralyzed, I'm shutting down
Paralyzed, paralyzed, can't make a sound
But it really doesn't matter

'Cause I know I'll get her

Now, now, now

I'm serious, my head is really spinning
But I know this could be the beginning

Of, of, of

So-somthing new, new, new
Paralyzed, paralyzed, I'm shutting down
Paralyzed, paralyzed, stuck to the ground
But it really doesn't matter

'Cause I know I'll get her

Now, now, now

Paralyzed, paralyzed, I'm shutting down
Paralyzed, paralyzed, can't make a sound
But it really doesn't matter

'Cause I know I'll get her

Now, now, now

Don't wanna fall, but I really can't ignore it
This time I know that it's really, really worth it

You can really be the one I'm looking for
Paralyzed, paralyzed, I'm shutting down
Paralyzed, paralyzed, stuck to the ground
But it really doesn't matter

'Cause I know I'll get her

Now, now, now

Paralyzed, paralyzed, I'm shutting down
Paralyzed, paralyzed, can't make a sound
But it really doesn't matter

'Cause I know I'll get her

Now, now, now

Paralyzed, paralyzed, I'm shutting down
Paralyzed, paralyzed, stuck to the ground
But it really doesn't matter
'Cause I know I'll get her
Now, now, now
Paralyzed, paralyzed, I'm shutting down
Paralyzed, paralyzed, can't make a sound
But it really doesn't matter
'Cause I know I'll get her
Now, now, now
Paralyzed, paralyzed, I'm shutting down
