i have a little red rooster too lazy to crow for day
i have a little red rooster too lazy to crow for day
keep everything in the barnyard upset in every way
the dogs begin to bark and the hound begin to howl
the dogs begin to bark and the hound begin to howl
watch out strange kind people 'cause little red rooster
is on the prowl
if you see my little red rooster please drag him home
if you see my little red rooster please drag him home
there ain't no peace in the barnyard since the little red
rooster been gone
