Written by peter green.

Momma don'tcha cry now

Momma don'tcha cry now

Just say your goodbyes now

But momma don'tcha cry

I've been a foolish boy

And I had to break the law just for you

Momma do ya love me

Momma do ya love me

Then momma won'tcha kiss me

He was such a naughty man

And I had to put him down just for you

Momma don'tcha cry now

No, momma don'tcha cry now

Just say your goodbyes now

But momma don'tcha cry

I've got to go away

But I promise i'll be back someday

Momma don'tcha cry

Momma don'tcha cry

Momma don'tcha cry

Momma don'tcha cry

He was such a foolish man

And I had to put him down just for you
