I have seen the most incredible light
In your eyes, in your eyes, in your eyes
I have seen the most incredible light
In your eyes, in your eyes, in your eyes

So cast away all your pain
Once lost treasure in your hands again
You will rise into the flames

And reclaim a name we'll see as you fit
Into it, into it
Little baby born out of fables
Into ships, into ships
Friends split

So sail away on your dreams
Unknown treasure in the hollow beams

I never want to waste away
They want to take my name away
I never want to waste away
They want me dead, don't end the day with them

That's how they win
They get you in the rain
And you forget about your promise

They want to take your crown away
200 years in your pain
I want to see my family
I wear the past as a second skin

Hey
You are a bird of paradise
Your songs are woven into life
Then when we get you out of it
I want to rise, to set alight
The sky
