Something

I have to tell you something

It's been on my mind so long

I've got to tell you this

It's been on my mind way too long

I promised myself to tell

Instead i'm falling apart to see you here

If you don't know, I'm in love with you

When summertime falls, it becomes untrue

Because of the shoes, I'm wearing today

One is called love, the other is pain

So tell me now

I'm in your head, I'm in your heart tell me now

Tell me now, because I'm falling apart to see you here

If you don't know, I'm in love with you

When summertime falls, it becomes untrue

Because of the shoes, I'm wearing today

One is called love, the other is pain

But still you don't know, I'm in love with you

When summertime falls, it becomes untrue

Because of the shoes, I'm wearing today

One is called love, the other is pain

One is called love, the other is pain
