La la l'amour
Gotta a lotta la la l'amour
La la l'amour

La la l'amour all for you
Say you want it, la la l'amour
La la l'amour

We took in the sights at the great museum
We kissed in the garden next to our Notre Dame
Just seconds to go to the new millenium
Got something now to live for

La la l'amour
Gotta a lotta la la l'amour
La la l'amour

La la l'amour all for you
Say you want it, la la l'amour
La la l'amour

We got us a good 'Eyefull' at the tower
And down at the river we fell deep in love
We turned out this night Now it's ours forever
Now we've got something to die for

La la l'amour
Gotta a lotta la la l'amour
La la l'amour

La la l'amour all for you
Say you want it, la la l'amour
La la l'amour

Oh, mom amour
Je me regrette rien
Je ne compred pas pourquoi je te quitte
Oh, mon amour
Je me regrette rien

La la l'amour
Gotta a lotta la la l'amour

La la l'amour

La la l'amour, all for you
Say you want it, la la l'amour, la la l'amour

All for ya, It's all for ya, all for you
