(Rick Kelly/Anthony Little)

I know it's really late but
I had to call you
Smothing that I've gotta say
Saw you at the movies
with your new trophy
I can't believe it's been just a day

Since we were holding each other now
I know
You're a creep
I wish taht I'd never met you
You're a creep
Just a scurvy little dog in the street

I know it sounds crazy,
but I thought that maybe
All we needed was time
Seems you recovered with new lover
Cuz everything we had was a lie
You said you'd die without me,
but you're still alive

Since we were holding each other now
I know
You're a creep
I wish that I'd never met you
You're a creep
Just a scurvy little dog in the street

Can't believe that I gave you
the best of me
But, baby, now it's your turn to hurt
I know it's rally late
but I should be going
But I just wanted to say - you're a creep
