Scared of myself
Like a riddle in my head
My imagination is so fucked up
I can't stand up

Want to feel the action
Want to know it know
Don't know where it comes from
Want to hear no sound

Crawling in my head
Rather be dead
Scared of myself
Like a lunatic

It's like a dream
But It seems so real
It's in my head, It's in my head
It's not a joke
My head is full smoke

Flying dead birds in the sky
Tried to run but I'm standing in sinking sand
Eaten up inside
No one to blame
I am so fucked up
I am getting insane

Want to feel the action
Want to know it know
Don't know where it comes from
Want to hear no sound

Crawling in my head
Rather be dead
Scared of myself
Like a lunatic

It's like a dream
But It seems so real
It's in my head, It's in my head
It's not a joke

My head is full smoke

I am scared...

Crawling in my head

Rather be dead

Scared of myself

Like a lunatic

It's like a dream

But It seems so real

It's in my head, It's in my head

It's not a joke

My head is full smoke
