Since you've come into my life, I don't have no stress
no strive, I'm addicted
I don't know what is in store, all I know is I want more,
I'm addicted, uhm.
Everytime I feel your touch now baby, more indicated
before, I'm addicted
Try to wait for the motion save me, I'm going on there,
I'm addicted

E ci ritroviamo in alto mare, in alto mare, per poi
lasciarsi andare
Sull'onda che ti butta giÃ¹ e poi ti scaglia verso il blu
E respirare in alto mare come due uccelli da
ammazzare
Piuttosto che tornare giÃ¹, per dirsi non si vola piÃ¹, uh
!

Since the sum of me and you is a happiness so true
and I'm addicted
Now I feel my soul renewed and you please my body
too
And I'm addicted, ah ah
Everytime I feel your touch now baby, more indicated
before, I'm addicted
Try to wait for the motion save me, I'm going on there,
so addicted

E ci ritroviamo in alto mare, in alto mare, per poi
lasciarsi andare
Sull'onda che ti butta giÃ¹ e poi ti scaglia verso il blu
E respirare in alto mare come due uccelli da
ammazzare

Comin' on me, comin' on you, comin' on me
This heartime, waves of luv, set us free
Never can tell, just as well, what will be
Lovin' on you, lovin' on me, lovin' on me.
Comin' on me, comin' on you, comin' on me
This heartime, waves of luv, set us free
Never can tell, just as well, what will be
Lovin' on you, lovin' on me, lovin' on me.

E ci ritroviamo in alto mare, in alto mare, per poi
lasciarsi andare
Sull'onda che ti butta giÃ¹ e poi ti scaglia verso il blu
E respirare in alto mare come due uccelli da
ammazzare
Piuttosto che tornare giÃ¹, per dirsi non si vola piÃ¹, uh
!
