"Every Moment"

Maybe we'll meet again some day
Though we chose different ways
I will always remember
The moments we shared
Since the day we parted
I've been asking myself
If this was a mistake
If I should have stayed

I'm sorry if I ran away
I couldn't breathe, I couldn't stay
Now this heartache
Won't go away

Maybe it will feel like yesterday
If we were to meet
Once again
It hurts so much
It drives me insane
If this were to happen one day
I don't know what I would choose to say
I keep asking myself
If I should have stayed
