Speechless
I'm hanging on
I don't see myself as useless

Regardless of what you think
I can't stop, I won't stop
Hear me when I say
I can't stop
Leave me

I'm asking you if I'm doing things wrong
By making all this noise before I'm gone
Regardless of how I feel
I just can't stop
Being me

Speechless
I've been pushed around
I don't see myself as useless

Regardless of what they think
I can't stop, I won't stop
Leave me
