"Resistance"

Visit "[Resistance](#)" on MotoLyrics.com

Your greatness keeps me sane
Your presence takes away my pain

I wish that you were here
To take away my fear

Please tell me what to do
I am calling, calling you

Be fed with violence
I cannot take this anymore
I'm searching for shelter
I'm calling someone, calling you
I am calling you

Another star falls from the sky
Another tear beats your eye
And in end we watch the sky
In this ocean of tears you cry

Why be fed with violence, why obey?
Shouldn't we resist (resistance)?
We should resist

Why be fed with violence, why obey?
Shouldn't we resist (resistance)?
You should resist
