You turnin' my night into days
Leap me in mysteries way
You make feel like a new man
It's like I'm born once again

Mmm-mmm, it's you
I know it's you

You cause desire and pain
Tangle me up in your chain
You make me this slave of your love
Life feels like heaven above

Mmm-mmm, it's you
Forever you

And it's a real good feeling
You got me rockin' and reelin'
You got me beggin' and stealin'
Oh, for your sweet love

And it's a real good feeling
You got me rockin' and reelin'
You got me beggin' and stealin'
For your sweet love

Magic is filling the air
I need you, you know that I care
You are the one I adore
Leavin' me begging from home

Mmm-mmm, it's you
I know it's you

But it's a real good feeling
You got me rockin' and reelin'
You got me beggin' and stealin'
Oh, for your sweet love

And it's a real good feeling
You got me rockin' and reelin'
You got me beggin' and stealin'

For your sweet love

And it's a real good feeling
You got me rockin' and reelin'
You got me beggin' and stealin'
Oh, for your sweet love

And it's a real good feeling
You got me rockin' and reelin'
You got me beggin' and stealin'
Oh, for your sweet love

But it's a real good feeling
You got me rockin' and reelin'
You got me beggin' and stealin'
Oh, for your sweet love

But it's a real good feeling
You got me rockin' and reelin'
You got me beggin' and stealin'
Oh, for your sweet love

But it's a real good feeling
You got me rockin' and reelin'
