I'm looking through a
Shattered window at the
Rubble of an iron wall
And laughing
At the beauty of it all
Things man made are built
To fall says the bird
Locked in his cage
A single voice
That echoes through the rage

'Cause when you get that
Taste of freedom
That comes only through
Salvation
You will understand

Chorus
I close my eyes
And I'm there
In Heaven
A part of you
Live in me too
And when I dream

Of this special world
I'm there with you
We become one

I peeked through the paper
To read our thoughts
Cutting out the
Pictures of decay
A souvenir of changes
Taking place

'Cause when you get that
Taste of freedom
That comes only through
Salvation
You will understand

Repeat Chorus

Break the chains
Birds fly from the cage
And drift upon
The winds of change

Repeat Chorus
