Every day changes,
Faces and phases
Nothing stays the same
A new day arises
Bringing Surprises
And all I have to say is...

When you say that you'll
Hold me, never let go of me
Then I'll be
Your voice in the dark
When you say that you want
Me, and I need to be wanted
We all need love

Chorus
Something special,
Something real
Way down deep
In my soul
Something special,
Something real
This is all I ask

Watching the changes,
Turning the pages
That make me love you more
Each situation I get myself in
You're always by my side

When you promise to hold
Me, never let go of me
Then I'll be
Your voice in the dark
'Cause you say that you want
Me, and I need to be wanted
We all need love

Repeat Chorus

When you say that you'll
Hold me, never let go of me

Then I'll be
Your voice in the dark
'Cause you say that you want
Me, and I need to be wanted
We all need love

Chorus II
Something special,
Something real,
Way down deep
In my soul
Something special,
Something real
This is all I ask for

Repeat Chorus II
