i want to take you to parisian
buy you all those things you want
i'll take you shopping out of season
buy you summer clothes in the fall
we can get freaky on the highway
on the way to lennox mall
we'll have a pleasant conversation
i can't wait we'll do it all baby

roll wit me
ill show you around, ill take you where you should be
and we can put it down
why don't you roll wit me
ill show you around, ill take you where you should be
and we can kick it round town
why don't you roll wit me

now let me tell you what im thinking
theres a place for me and you
we can meet at intermezzo
maybe have a drink or two
how bout a pinic on sunday

i can't wait to hear from you

Why won't you roll wit me (yeah)

ill show you around, ill take you where you should be
and we can put it down
why don't you roll wit me
ill show you around,ill take you where you should be
and we can kick it round town
why don't you roll wit me
