It's 2gether, whoa  
Ooohhh it's 2gether, whoa

Number 2-G-E-T-H-E-R  
to the CD you play in you car  
Drive to, cry to, blow that star  
Tiger Woods is 10 strokes under par  
So tell me how far you could get  
at the superstar sideshow that ain't it  
Don't throw no fit  
just ride on the energy  
it's 2gether from now until infinity.

We are 5, we are 5  
2gether, 2gether  
We do our thang baby  
and sing  
5gether  
We are 5  
2gether  
we do our thang, baby  
and sing  
5gether yea

See all the girls with their hands in the air.  
You can tell by the screams this ain't Lilith Fair  
We in a world now 2G's dragon lair  
and we'll take off our shirts if ya double dog dare  
Splitting my pants as I sit in the chair  
Revenge of the nerds  
Funny Hollywood square!  
Tripping, skipping, tobaloo hoo  
choo choo's coming through  
fast on the train track.

We are 5, we are 5  
2gether, 2gether  
We do our thang baby  
and sing  
5gether  
We are 5  
2gether

we do our thang, baby  
and sing  
5gether yea

5 as one, 5 as one, 5 as one, oooh

Yeah yeah rubba dub dub  
sweet love in the tub  
We're here to hug  
Kiss and give you back rubs  
had to scratch our way up from down in the mud  
we weren't discovered in no Mickey Mouse club  
Playing our dub.  
Looking for a deal  
we're too for real with 5 on the bill  
5 on the court, championship  
Just can't eat one of these potato chips  
Yea yea yea, its just the flavor hits  
as it bumps your hips  
Through the eye of an eagle  
we need no playa hating people  
Sequel, equal to none  
2gether, Masterpiece, job's done

If there's gonna be 5 of us why not call us 5gether! Ah  
ah

Ah ah ah  
Ah ah  
Ah ah ah

We are 5, we are 5  
2gether, 2gether  
We do our thang baby  
and sing  
5gether  
We are 5  
2gether  
we do our thang, baby  
and sing  
5gether yea

We are 5, we are 5  
2gether, 2gether  
We do our thang baby  
and sing  
5gether  
We are 5  
2gether  
we do our thang, baby  
and sing

5gether yea

This is a new math fool  
We're two to the G  
breaks all the rules  
And  $1 \times 5$  is 2 and 5x the noise coming back at you  
This a new math fools  
We're two to the G  
breaks all the rules  
and  $1 \times 5$  is 2 and 5x the noise coming back at you

4 plus one, oh 4 plus one, 4 plus one, oohhh

We are 5, we are 5  
2gether, 2gether  
We do our thang baby  
and sing  
5gether  
We are 5  
2gether  
we do our thang, baby  
and sing  
5gether yea [repeats]
