Yo fight, yo fight, turn this mic up... yeahh  
QT!

Old people tell me I'm still too young  
To take a lady's hand and give it the tounge  
But what do they know about puberty?  
About being 14, and all filled with needs  
Mary k. Latourneau i think she you knew the truth  
It's all the young dudes, who's got the best moves,  
yeah

Call me the heartthrob that was choice  
I'm just a nice guy with a pretty dope voice  
If you're a girl with humor inside (hahaha)  
Come get with me and girl I'm gonna make you smile  
If you get scared, I'll take you by the hand  
I'll show you heaven, I will be your dream man

Wanna be your awesome lover (I wanna be)  
Gonna be your number one man  
Wanna be a real heartbreaker  
The best lover (best lover) in all the land  
Wanna be your awesome lover  
Wanna be your awesome lover, lover  
Awesome lover  
The best lover ( best lover) in all the land

Are you sick of guys who come on strong? (thats chad)  
Who just want to see you wearing a tight thong  
I don't even know what a thong is  
But I got an A+ on the Teen Charm Quiz  
So sit back, relax, and I won't hit on you  
so just let yourself drown in my big baby blues

Okay so I'm older than your average teen (big doug!)  
But baby I will treat you just like a queen  
I'm wise and mature and so generous too  
And I'll never use curse words like hump or screw  
A smooth older man  
Is just what you need  
Cause lovin' is better at a way slower speed

Wanna be your awesome lover (awesome lover)  
Wanna be your number one man (number one man)  
Wanna be your real heartbreaker (real heartbreaker)  
The best lover (best lover) in all the land (in all the  
land)  
Awesome lover (wanna be)  
Wanna be your awesome lover, lover (I wanna be, I got  
to be)  
Awesome lover..(your best lover)  
The best lover (best lover) in all the land

Some ladies like guys who treat them like crap  
Has lots of tattoos and is all into rap  
Well Guess what, that's me, your own gangsta toy  
If you're the kind girl who loves a real bad booooooy!

(if you want some more, c'mon) Wanna be your  
Wanna be your  
Awesome lover  
Wanna be your number one man  
Wanna be your real heartbreaker  
The best lover (best lover) in all the land  
Wanna be your awesome lover (awesome lover)  
Wanna be your awesome lover, lover (I wanna be, I got  
to be)  
Awesome lover (awesome lover)  
The best lover (best lover) in all the land

Wanna Be your  
Awesome lover
