Girl you've taken a piece of me
that I didn't wanna give
without it I cant live, no
It's makin' me look so silly
that my friends talk about me
they don't understand

For your love
(for your love)
I would cry
(I would cry)
even sacrifice my life
(and I)
wouldn't think twice
be your fool
(be your fool)
don't mind it's cool
(I dont mind)
everything I say is true
cause I'm breaking all the rules for you

Girl you've taken good care of me
I can feel it deep inside
and the body doesn't lie, no
the way you love me I can't believe
that I'm the only one
havin' this much fun
with your love (::for your love:: overlaps this line)

(for your love)
I would cry
(I would cry)
even sacrifice my life
(and I)
wouldn't think twice
be your fool
(be your fool)
don't mind it's cool
(I dont mind)
everything I say is true
cause I'm breaking all the rules for you

Can't help for breaking
your love is changing the rules
::rules::
can't help for sayin'
without you I'd be a fool
breakin' all the the ru-oooh-oooh-oooh

::chorus X's 5::
