"You said jump,
I asked how high.
You made the rules that we live by.
And now I find, I've made a Frankenstein.
I spoil you rotten, night and day.
I always let you get your way.
I did the crime, now I'm doin' time.

Baby, for showing you I care,
I'm tearing out my hair.
Baby, you never do your share,
You know it isn't fair.

I gave my 24-7 to you,
doin' everything you wanted to.
I bought you Sushi and Yoga too.
You bought a wringer, just to pull me through,
girl you know that it's true, I gave my 24-7 to you.

Every time that we're alone
You sit there talkin' on the phone.
It never ends, now I hate your friends.
Any time I tell you no
You're quick to tell me where to go.
I'd leave it all, if I had your balls.

Baby, I let you wear the pants,
You wore off our romance.
Baby, you never miss a chance
to tell me I can't dance.

I gave my 24-7 to you,
doin' everything you wanted to.
I bought you Prada and Navy too.
You never wear 'em, now I'm feelin' blue,
cuz' you know that it's true.
I gave my 24-7 to you.

Baby, it's true,
there will never ever ever, ever never
be another one like you.

I gave my 24-7 to you,
doin't everything you wanted to.
I bought you Britney and Limp Bizkit too.
You sold them back on money that I blew,
girl you know that it's true.
I gave my 24-7 to you.
