"Girl I can't understand you
You're like reading a big fat book in Hebrew.
I can tell by the way you drool,
You don't mean to be cruel.
Oh baby
Fess up to your feelings
and tell me you need me
Cuz' your ass is very pleasin'

Girl you got to say it, don't spray it
I want the news, not the weather!
Say it, don't spray it
I want the news, not the weather!

So say goodbye to those Levi's
and say hello to my sweet thighs.
We can hokey-pokey
(Just gimme the okie-dokie)
Fess up to your feelings,
Cause baby I'm needy
Oh baby, I'm really really needy.

Girl you got to say it, don't spray it
I want the news, not the weather!
Say it, don't spray it
I want the news, not the weather!

(Wave your hands if you like what we're sayin')
(Wave your hands if you like what we're playin')

Don't gimme no teasin'
Your ass is so pleasin'
As long as I'm breathin'
It makes me a heathin'!

(C'mon, C'mon)
(Everybody in the house)
(I want the news)

Say it, don't spray it
I want the the news, not the weather!
(Repeat 5x)
