You always told me,  
If I ever wanna leave,  
If I find a better girl,  
someone who lets me breathe.  
That you wouldn't stand in my way.  
Oh girl, I never meant to break your heart.

I promise you,  
I didn't know she was your sister.  
What could I do?  
She's so dope, (oh yeah) I couldn't resist her  
(Your little sister)

And who woulda thought,  
she's really that young?  
Unlike you, kisses good with the tongue.  
(Oh please, don't stand in my way.  
I guess it really doesn't matter if,  
if I break your heart.)

I promise you,  
I didn't know she was your sister.  
What could I do?  
She's so dope, (oh yeah) I couldn't resist her  
(Your little sister)

How, oh, how could I know?  
How could I know?(How could I know?)  
How? I really, really didn't know.

I promise you,  
I didn't know she was your sister.  
What could I do?  
She's so dope, I couldn't resist her.  
I promise you,  
I didn't know she was your sister.  
What could I do?  
She's so dope, (oh yeah) I couldn't resist her.  
(Your little sister)  
What?  
How old is she anyway?
