Let's get to know each other better,  
In a special way.  
I think about you baby, each night and day.  
But you're always hangin' out with the girl next door.  
You do each other's make-up  
and so much more...

Friday's slumber parties when your parents are gone,  
I think about you girls  
(How we can get it on)

U & U & me,  
2gether we make 3  
in perfect harmony,  
just U & U & me.  
U & U & me,  
2gether we make 3  
a perfect fantasy,  
just U & U & me.  
(U & U & me, 2gether we make 3)

When I think about you girls it makes me feel so fine.  
When I call you on the phone I need the party line.

Playin' spin the bottle,  
kisses sweet as wine.  
I must have won the lotto  
to hit U & U & I.  
Jackpot!!!

U & U & me,  
2gether we make 3,  
in perfect harmony,  
just U & U & me.  
U & U & me,  
2gether we make 3,  
a perfect fantasy,  
just U & U & me.  
(Repeat)

(Kiss me girls)  
When you kiss me, on my mouth

and down my neck  
all at the same time.  
And you both whisper  
different things, into different ears.  
I can't try to pretend...  
girlfriends.

U & U & me (yeah yeah yeah yeah)  
2gether we make 3  
U & U & me (yeah yeah yeah yeah)  
2gether we make 3

U & U & me,  
2gether we make 3,  
in perfect harmony,  
just U & U & me.  
U & U & me,  
2gether we make 3,  
a perfect fantasy,  
just U & U & me.  
(Repeat)

(U & U & me,  
2gether we make 3)  
(U & U & me, yeah)  
U & U & me
