"12th of April we decided it was time.  
I was feeling good, you were lookin' fine  
on the basement floor  
With TRL behind.  
You were lovin' me with Carson Daly on your mind...

You're my baby girl,  
You know that you are.  
You're my honey-bunch,  
Yeah my sweet lucky star.  
So put your hand in mine  
I will slap your sweet behind.  
You're my baby girl.

E is for Erin, makin' out with you,  
R is for wrong, that's what ya like to do,  
I is for eyes that are smilin' back at me,  
N is for nasty which we do constantly...

You're my baby girl,  
You know that you are.  
You're my honey-bunch,  
Yeah my sweet lucky star.  
So put your hand in mine  
I will slap your sweet behind.  
You're my baby girl.

Hotdogs, hamburgers, unzip me please.  
Erin likes ketchup but go easy on the cheese.  
I like to look down on her naked from above.  
She's just like Gwyneth Paltrow,  
I'm like Shakespeare in Love!

You're my baby girl,  
You know that you are.  
You're my honey-bunch,  
Yeah my sweet lucky star.  
So put your hand in mine,  
I will slap your sweet behind.  
You're my baby girl.  
(Repeat)
