When you kiss me, are u breathless?  
When you touch me, do u fall apart?  
Do u shiver when u dream?  
Is there a pounding in your heart?  
When i talk, do u hear?  
When i cry, do you care?  
When u wake up in the morning, do u want me there?

(CHORUS)

I want u to know me  
I want u to hold me  
Know who i am, what i want  
When i feel you're the only one that's real  
I want u to know me  
I want u to hold me  
Cuz when we kiss, when we touch  
All i know, you're the only one that's real

When u call me, are u smiling?  
When u leave me, does it make u sad?  
Is there an emptiness u feel?  
When we're together, are u glad?  
My silence, u told me, if im crazy, console me  
Cuz in each others arms is where i wanna stay

I want u to know me  
I want u to hold me  
Know who i am, what i want  
When i feel, you're the only one that's real  
I want u to know me  
I want u to hold me  
Cuz when we kiss, when we touch  
All i know, you're the only one that's real

You're the only one that's real....the only one

I want u to know me  
I want u to hold me  
Cuz when we kiss, when we touch  
All i know, you're the only one that's real  
I want u to know me  
I want u to hold me

Cuz when we kiss, when we touch  
All i know, you're the only one that's real

(YEA BABY, BEST SONG ON THE CD! \*hehe\*)
