And the angel said to Mary,  
"Mary do not be afraid --  
For the child you'll bear will be God's own Son,  
and JESUS is His name!"  
So the Light came down from heaven  
And was born a human child,  
And He walked the earth like you and I  
But pure and undefiled.

And He left the halls of heaven  
To be born and live and die  
Just to raise us into glory at His side.

And the Light came down  
And the Light came down  
And the Light came down

And He is the King of glory  
And He is the Prince of Peace  
And He died to set the captives free  
And win our souls' release.

And He left the halls of heaven  
To be born and live and die  
Just to raise us into glory  
At His side...

And the Light came down!  
And the Light came down  
Into our heart  
Jesus, He's the Light of the world.  
And the Light came down  
Into your heart

Jesus  
is  
the Light of the world!
