I got off the track, Lord...
I did not obey.
Yes, I got off the track, Lord:
I was goin' astray!
Lord have mercy,
Help me return to Your way! (right now!)

Destroying angel, out to claim a life...
Like a roaring lion; but it's not your time!
'Cause there's blood on my doorpost,
So just you pass me by! (pass on by!)

Got blood on my doorpost,
'til the end of the night!
His blood has the power
To keep us 'til morning light!
(Blood of Jesus!)
'Cause my God has promised:
His blood will make everything alright!
