I'm a taker, you're what I take
No tender kissin', well, I just break
But please don't fear my cold caress
I wanna leave you Bloodless

'Cause I'm a leaver, I leave you dead
Confusion the last thing in your head
I'm not that subtle, I leave a mess
Yeah, I leave you Bloodless

Empty corpses all around
When I've been to your home town
No heart's been left to pound
Where I've been messin' round

I'm a taker, you're what I take
No tender kissin', well, I just break
But please don't fear my cold caress
I wanna leave you Bloodless

You leave me breathless babe, I got no words
So hot'n'cookin', but I guess you ain't heard
That I can only be your death
When I've left you Bloodless

chorus x2
