"Comin' To Your Town"

Yeah, we're comin' to your town
And we're gonna mess around
Comin' to your town
Gonna bring the living down

We're talking about evil
We're talking about evil
We're talking about the Coffinshakers
Messin' around in Nashville

Yeah, we've risen from the dead
And now blood will be shed
Risen from the dead
Gonna surprise you in your bed

We're talking about evil
We're talking about evil
We're talking about the Coffinshakers
Messin' around in Nashville

Bloodlust... pain... terror... from open graves!

Yeah, we're comin' to your town
And we're gonna mess around
Comin' to your town
Bring the living bastards down

We're talking about evil
We're talking about evil
We're talking about evil
Comin' to your town
