The sun is setting in the west  
The shadows are growing tall  
A bad moon's on the rise tonight  
The children of the night call  
Tonight the graves are opening up  
The strangest sights are seen  
Keep all doors and windows locked  
This night of Halloween

I sneak into your dreams at night  
My voice enthralls your mind  
You cannot fight my cold deep eyes  
Or the evil that lurks behind  
The twilight mist dims your view  
It's all like in a dream  
Revelations of doom appears  
This night of Halloween

Souls that were unclean  
Lives that should have never been  
Come to life on Halloween

repeat chorus
