"Howlin' at Midnight"

I'm just sitting here drinking blood
Singing my vampire song
Surrounded by the moon-lit sky
The night seems so long

The people that's been in my arms
Wouldn't know the first thing 'bout evil
Drawn like moths to my flame
With lust in their eyes

I'm a vampire, singing my song
I'm a vampire, singing my song
I'm just a vampire, howlin' at midnight

Centuries have gone
Since living I walked the earth
Now tired I'm sitting here
Watching the years go by

I'm a vampire, singing my song
I'm a vampire, singing my song
I'm just a vampire, howlin' at midnight

Now I'm sitting here drinking blood
Singing my vampire song
Howlin' at the moon-lit sky
The night seems so long
