Summon up the graves, no one will be saved
The darkness comes closer to your door
The curse of the living dead, soon gets to your head
This is a transylvanian nightmare zombie war

I'm a Coffinshaker, I'm a spinalbreaker
I'm the beast lurking in the night
I'm the curse you fear, I will kill you dear
I'm the reason you have fear of the dark

Holding up crosses won't cut your losses
The dead don't give a damn about no Christ
Crying out loud, forgetting you are proud
But we don't fuckin' care, we just want to take your lives

I'm a Coffinshaker, I'm a spinalbreaker
I'm the beast lurking in the night
I'm the curse you fear, I will kill you dear
I'm the reason you have fear of the dark
