Down among the whisperin' pines
And the honey suckle vines
There's a very peaceful scene
That is where it all begins
(Ah one, two, three)

In a cavern, crazy cavern, excavatin' for a mi-ine
Lived a daddy of all daddies and a chick named
Clementine
She drove the jeep down to the jeep joint
Every evenin' just at ni-ine
Hoppin' boppin', struttin' strollin'
Rockin' rollin', Clementine

Dig it da-addy, dig it daddy (Clementine, Clementine)
Till you see those nuggets shi-ine (Clementine,
Clementine)
Dig it daddy of all daddies (Clementine, Clementine)
Try that rich spot, Clementine (Clementine)
She drove the jeep down to the jeep joint (Clementine,
Clementine)
Every evenin' just at ni-ine (Clementine, Clementine)
Hoppin', boppin', struttin' strollin' (Clementine,
Clementine)
Rockin' rollin', Clementine (Oh... Clementine)

She was jumpin' in the jeep joint (Clementine,
Clementine)
And her daddy didn't know-ow (Clementine,
Clementine)
And a cat came from the city (Clementine, Clementine)
Stole her from her daddy-o (Clementine, Clementine)
She drove the jeep down to the jeep joint (Clementine,
Clementine)
Every evenin' just at ni-ine (Clementine, Clementine)
Hoppin' boppin', struttin' strollin' (Clementine,
Clementine)
Rockin' rollin', Clementine (Oh... Clementine)

(Clementine)
When her daddy came to get her (Clementine,

Clementine)
All the joint was jumpin' fine (Clementine, Clementine)
And the cat said dad forget her (Clementine,
Clementine)
She's a real down Clementine (Clementine,
Clementine)
She drove the jeep down to the jeep joint (Clementine,
Clementine)
Every evenin' just at ni-ine (Clementine, Clementine)
Hoppin' boppin', struttin' strollin' (Clementine,
Clementine)
Rockin' rollin', Clementine (Oh... Clementine)

Now she digs that crazy rhythm (Clementine,
Clementine)
And she digs that crazy beat (Clementine, Clementine)
And she sure can mix it with 'em (Clementine,
Clementine)
You should see her fly on her feet (Clementine,
Clementine)
Ahh, she drove the jeep down to the jeep joint
(Clementine, Clementine)
Every evenin' just at ni-ine (Clementine, Clementine)
Hoppin' boppin', struttin' strollin' (Clementine,
Clementine)
Rockin' rollin', Clementine (Oh... Clementine)

Yeah, rockin' rollin' Clementine (Oh... Clementine)
Ooh, even strollin' Clementine (Oh... Clementine)
Ahh, hoppin' boppin' Clementine (Oh... Clementine)
Oh, rockin' rollin' Clementi-i-ine (Oh... Clementine)
