Heaven is my woman's love
Gently risin' with the su-un
She gives me cause to face the day
And brings me joy when day is do-one

Heaven is my woman's love
Heaven is the way I li-ive
She gives me all the love she can
And then somehow finds more to give

And when I see her in the mornin' light
I feel the same as in the dark of night
She is my everything that I'm proud of
The heaven of my woman's lo-o-o-ove

Heaven is my woman's love
Gently reachin' out for me-ee
All she wants is what I am
Searchin' not for what I'll be-ee

Heaven is my woman's love
Happiness is what she gi-ives
As long as she's with me I'll find
Heaven every day I live

And when I see her in the mornin' light
I feel the same as in the dark of night
She is my everything that I'm proud of
The heaven of my woman's lo-o-o-ove

Heaven is my woman's love
Heaven is my woman's lo-ove
Heaven is my woman's love
Heaven is my woman's love

Heaven is my woman's love
Heaven is my woman's lo-ove
Heaven is my woman's love (fade)
