I.O.U. so many things  
I.O.U. everything  
But I can't repay you  
And it's too late to save you

There really wasn't a choice  
Seventeen was just too young  
I couldn't hear your voice  
I couldn't feel your living

I.O.U. so many things  
I.O.U. everything  
But I can't repay you  
And it's too late to save you

My son, my mistake  
(I.O.U. so many things)  
My son, my mistake

I know you could have been a girl baby  
Now you can't be anything  
We needed you to prove our love  
We used you, then we killed you

I.O.U. so many things  
I.O.U. everything  
But I can't repay you  
And it's too late to save you

My son, my mistake  
(I.O.U. so many things)  
My son, my mistake

Right to life?  
Who decides?  
Is there wrong and right?  
When Mom and Dad treat you so bad

We made our own decisions  
No one else's business  
We'll learn to live with our mistakes  
Live by learning from our mistake, my mistake

I.O.U. so many things  
I.O.U. everything  
But I can't repay you  
And it's too late to save you

My son, my mistake  
My son, my mistake  
(I.O.U. so many things)  
My son, my mistake  
(I.O.U. so many things)  
My son  
(I.O.U. so many things)
