friend better use me up now while i'm still of use my  
fairweather friend when i'm riding high you're always  
by my side when i'm laid low you abandon me (don't

time for you my fairweather friend don't want to have  
to be nice to you my fairweather friend when i'm riding  
high you're always by my side when i'm laid low you
