I'm tired of being lonely all the time  
Let's shake and sweat, break the bed

Said c'mon, dive in, the water's warm and fine  
Ready on your mark get set

It's a horizontal party, it's a party for two tonight  
They're gonna hear the screamin' from Tokyo to Berlin

She's got a tight schedule but I think that she can

fit me in  
Day and night from A.M. to P.M.  
It's alright  
When she says when, alright  
Top or bottom

Sideways, upside down

Let's do the dance that makes the world go 'round  
Let's shake and sweat, break the bed  
Ready on your mark get set

It's a horizontal party, it's a party for two tonight

(It's a horizontal party, it's a party for two)  
Well, it's a horizontal party, it's a party for two  
tonight
